Product Value
Product Value

Driver-Free
Completion with HID (Human Interface Device) eliminates the need to run any additional driver to run in your PC.

Easy to Use
The device’s only function is to retrieve the card’s UID and display it directly in any text editor such as Notepad, Microsoft® Excel and Microsoft® Word.

Contactless Card UID Reader
Designed to get the UID of any ISO 14443 Parts 1-4 Type A and B–compliant contactless card.
Product Application
Product Application

- E-Government
- Banking and Payment
- Network Security
- Access Control
- E-Purse and Loyalty
- Transportation
Sample Application

Depending on the program, participants may benefit from applications such as digital signature, e-Commerce, parking, home banking, library card, etc.

UID: 11 22 33 44

Present the card to the reader

The reader detects the card and displays the Unique Identifier Number on the text entry box of any software application
Thank You!
